Safety Instructions:

- Make sure that smaller parts cannot be used by children to avoid the risk of suffocation.
- Careful assembly required to ensure stability and safety.
- Regularly check that the integrated height adjusters are working properly.
- Ensure that the shelf is placed on a stable and level surface to prevent it from tipping over.
- Avoid overloading the shelves to prevent the risk of tipping.
- Observe the maximum load capacity of the shelves to prevent them from breaking or collapsing.
- Use tip-over protection to minimise the risk of falling.
- Safety information: Product not suitable for children under 3 years of age.
- Caution: Avoid sharp edges to prevent injuries.
- Health warning: Please protect from strong chemicals or sources of moisture.
- To avoid injury, do not climb or stand on the shelf.
- The product must be installed and used in accordance with the manufacturer's instructions.
- Ensure that all parts are present before assembly.
- Observe the safety instructions to avoid injuries due to improper use.
