Safety Instructions:

- The shelf must be set up stably and mounted correctly on the wall to prevent it from tipping over and toppling.
- Avoid using it in humid environments and keep it away from heat sources to avoid damaging the material.
- Keep small parts and sharp, moving objects away from children to avoid the risk of injury and choking.
- Read and follow the assembly and installation instructions carefully to minimise safety risks.
- Ensure that all parts are securely fastened to ensure stability.
- Observe the maximum load and avoid excessive weight loads to prevent instability and damage.
- Use integrated height adjusters correctly to compensate for unevenness and ensure stability.
- Only use mild, non-abrasive cleaning agents for surface cleaning.
