

Product Safety Information

Aluminium loading ramps AOS-F 1

Manufacturer/Responsible Person: ALTEC GmbH, Rudolf-Diesel-Straße 7, 78224 Singen, Deutschland

E-Mail: info@altec.de

Please note the technical data of the products!

Article Numbers: 97713, 97712

Safety Instructions:

- Only use loading ramps on firm, level and non-slip surfaces to prevent them from tipping over or slipping.
- Do not exceed the maximum load capacity to avoid accidents and structural damage.
- Ensure that the ramps are correctly aligned, positioned and secured before using them.
- Wear suitable safety shoes with non-slip soles when entering or using the ramps.
- Avoid standing on the ramp during loading and unloading.
- Keep children and pets away from the ramps while they are in use.
- Ensure that the ramp is not damaged before use.
