

Product Safety Information

Aluminium loading ramps type AOS-F 2

Manufacturer/Responsible Person: ALTEC GmbH, Rudolf-Diesel-Straße 7, 78224 Singen, Deutschland

E-Mail: info@altec.de

Please note the technical data of the products!

Article Number: 97714

Safety Instructions:

- Ensure that the ramps are used on a stable and level surface.
- Avoid overloading the ramps above the maximum load capacity of 750 kg/pair.
- Use of the ramps only by adults and under adult supervision if children are in the vicinity.
- Check that the perforated, non-slip riding surface is clean and undamaged before use.
- Do not use the ramps as steps or for use with vehicles or trailers other than those intended.
