

Product Safety Information

Aluminium loading ramps type AOS-F 3

Manufacturer/Responsible Person: ALTEC GmbH, Rudolf-Diesel-Straße 7, 78224 Singen, Deutschland

E-Mail: info@altec.de

Please note the technical data of the products!

Article Number: 97715

Safety Instructions:

- Ensure that the ramps are only used with devices that do not exceed a weight of 590 kg.
- When using the ramps, ensure that they are placed on a stable, level surface.
- Users should be advised to wear suitable safety clothing, such as non-slip shoes.
- Use should be avoided if the ramps are visibly damaged.
- Two people should always be used for loading and unloading to ensure safety.
- Follow the manufacturer's instructions for safe use and the load capacity of the ramps.
