

Product Safety Information

Partition wall, free-standing, for shelf depth 600 mm

Please note the technical data of the products!

Article Numbers: 33997, 33996, 33995

Safety Instructions:

- No parts included for children under 3 years.
- Ensure that the partition is stable and securely inserted in the shelving unit to avoid the risk of it toppling over or falling.
- Use and install the partition according to the instructions to avoid stability problems or the risk of it falling over.
- Check the partition wall for damage before use.
- The partition wall must be inserted correctly into the slots in the intermediate shelves.
- Observe the maximum load-bearing capacity of the partition wall to avoid overloading.
- Wear suitable personal protective equipment for proper handling.
- If handled incorrectly, the partition wall may have sharp edges that can cause injuries.
- Use of the partition is only recommended for the intended purpose.
