Safety Instructions:

- Place the drawer magazine in a stable position to prevent it from tipping over.
- Do not place or store any heavy or unstable objects on the drawer unit.
- Do not overload drawers to avoid damage.
- Take care when using small parts; be aware of the risk of suffocation.
- The drawer dispenser is not suitable for damp environments.
- Only secure items against vertical tipping when stacked.
- Observe the maximum load of the drawers to avoid damage or accidents.
- Improper use or overloading can cause drawers to break; follow the user instructions.
- Do not place the product near heat sources.
- Make the base stable and load-bearing to prevent stackable drawer units from tipping over.
- Use in automatic carousels only as instructed.
- Take care with sharp edges and corners.
- Use only for the purposes intended by the manufacturer.
- Improper handling can lead to damage.
