### Safety Instructions:

- Position the drawer magazine on a stable, level surface to prevent it from tipping over.
- Secure access to drawers in automated carousels so as not to jeopardise operator safety.
- Avoid overloading the drawers to prevent them from tipping over, tearing or breaking.
- Drawers with sharp edges can cause injuries; take care when gripping and handling.
- To minimise risks, do not use drawers for heavy or hazardous materials.
- Contains small parts that could be swallowed by children; note choking hazard.
- Not suitable for outdoor use to prevent damage.
- To avoid injury, do not use sharp objects in the drawers.
- Avoid use near heat sources or humid environments to prevent damage.
- Ensure that safety instructions are provided in understandable language.
- Regularly check for damage and wear before use.
- Store drawers away from direct sunlight and extreme temperatures to prevent deformation.
- Not suitable for food storage.
- Take care when storing small parts to avoid danger to children.
