### Safety Instructions:

- The shoe rack should be securely fastened to avoid the risk of slipping and falling.
- Avoid sharp edges to prevent injuries when putting on or taking off shoes.
- When used by children: make sure that items of clothing or bags do not get caught.
- Tighten all fastenings properly when installing the shoe rack.
- The shoe rack should be checked regularly for wear and damage to ensure safety.
- Use the shoe rack only for its intended purpose; children should not play with it.
- The shoe rack is for indoor use and should not be exposed to direct sunlight.
- Do not exceed the maximum load capacity to avoid breakage or deformation.
- Observe and follow the installation instructions and safety instructions before use.
- Keep out of the reach of small children to avoid injury and danger.
- Ensure that the shoe rack remains clean and dry to prevent slipping accidents.
