Safety Instructions:

- Choking hazard due to small parts if used or assembled incorrectly.
- Only use the bench in accordance with the enclosed instructions to ensure safety and stability.
- The changing bench is optimised for indoor use and is not suitable for outdoor use.
- Use only recommended by adults or under the supervision of parents/guardians.
- The bench must be placed on a stable and level surface to prevent it from tipping over.
- Keep heavy and sharp objects away from the bench to prevent injury.
- Make sure that children do not use the bench as a climbing frame to prevent injuries from falling.
- Avoid overloading beyond the recommended weight limit.
- The bench must not be used if parts are damaged or broken.
- Keep the bench away from flammable materials and avoid direct exposure to heat.
- Avoid treating the bench with damp or harsh cleaning agents to prevent damage.
- Ensure protection against crushing hazards due to improper installation or pressure loads.
- Regular inspection of the stability and fastening elements is recommended.
- Users should ensure that only the recommended number of people sit on the bench at the same time.
- In the event of damage or instability, do not use the bench and contact the manufacturer.
