Safety Instructions:

- Only carry out installation carefully using the enclosed instructions and ensure that all parts are installed correctly.
- Ensure a stable base to avoid the risk of tipping and continuously check the stability and any damage.
- Not suitable for children under 3 years of age as there is a risk of choking on small parts.
- Do not use the bench as a climbing frame and children should be supervised when using it to avoid injuries from falling.
- Do not overload and observe the maximum load capacity to maintain stability.
- Use only for the intended purpose; do not allow improper use and observe the regulations for proper use.
- Check for damage before use and, in the event of damage, stop using the product immediately and contact the manufacturer.
- Use non-slip feet and ensure non-slip positioning to avoid accidents.
- During assembly, make sure that the screws and connecting elements are firmly tightened.
- Do not place near heat sources or cover with damp objects.
