Safety Instructions:

- Not intended for use by children; keep children away from the product
- Avoid using the product near water or damp environments to minimise the risk of slipping
- Ensure that the product installation is secure and stable; if necessary, mount on a stable and level surface
- Regularly check for rust or damage; if damaged, do not use and replace immediately
- If you are unsure about installation, refer to the instructions or consult a specialist
- Avoid overloading the product to prevent stability risks and possible damage
- Ensure that the product is installed and used correctly to avoid injury from falling or slipping
- Suitable for indoor and outdoor use, but protect from extreme weather conditions
- Do not use the product as a seat if the bench is not available
- The installation instructions and all safety information must be included with the product
- Avoid sharp objects in the vicinity to prevent damage to the product
- Caution: Product is not suitable for use by children under 3 years of age
