Safety Instructions:

- Environmentally friendly: Product is PEFC-certified and solvent-free.
- No small parts: There is no choking hazard.
- Careful handling: Improper storage or handling may result in damage that impairs use.
- In case of contact with printers: Not all printers are suitable for use with these labels. Ensure that the printer is suitable for the labels used.
- The product should be stored away from moisture so as not to impair the adhesive strength of the labels.
- The product is not intended for direct contact with food; therefore the labels are not certified food-safe.
- The labels may leave adhesive residue; clean the surface thoroughly after removal.
- Protect the labels from direct sunlight to prevent the printing colour from fading.
- Take care not to overheat the labels, e.g. when using them in a printer, to prevent them from sticking or overheating.
