Article Numbers: 308135, 308134

Safety Instructions:

- Use the seat height and adjustment mechanism with care to avoid injury.
- Regularly check the stability and condition of the castors and feet and check for damage or wear to the components.
- Ensure that the floor covering is non-slip to minimise the risk of falls. Ensure that the chair is used on a firm surface to prevent it from swaying or tipping over.
- Take care when using in areas subject to heavy mechanical stress.
- Observe the safety instructions and installation instructions.
- Height adjustment should only be carried out by one person to avoid the risk of injury.
- Avoid extreme weight loads that could affect the stability of the chair.
- Ensure that no body parts are trapped between moving parts.
- Do not use as a toy. The chair is not suitable for children.
