Article Numbers: 155249, 155812, 155811, 155810

Safety Instructions:

- Only use the product in accordance with the intended use specified in the instructions.
- Do not use the product in damp or wet environments and keep it away from moisture and chemical substances to avoid damage.
- Check the product for damage before use. Carefully read and follow the product information and installation instructions.
- Ensure that the frame is correctly and properly assembled. Ensure that the base frame is stable and firmly anchored to prevent it from tipping over.
- Avoid overloading the base frames; observe the maximum load capacity of 400 kg evenly distributed to prevent breakage or instability.
- Keep the product away from children to avoid the risk of injury from falling or pinching.
- Watch out for sharp edges and weld seams to avoid injuries.
- Use the base plates for secure fastening to the surface.
- The product is not suitable for height-adjustable applications or outdoor use.
