Article Numbers: 33072, 33069, 33066

Safety Instructions:

- Only use the product in accordance with the installation instructions to ensure safety.
- Ensure that the suspended shelf does not exceed the maximum permissible weight and avoid overloading the suspended shelves.
- Take care with incorrect assembly to prevent the shelf from tipping over. Assembly of the intermediate shelves must be stable.
- Install the product on a stable surface.
- Only intended for use in shelving units. Do not use as a stand-alone structure.
- Keep the installation area free of obstacles to minimise the risk of falling.
- Keep out of the reach of children to avoid injury.
- Risk of suffocation from small parts if the intermediate shelf is not inserted safely.
