Article Numbers: 33073, 33070, 33067

Safety Instructions:

- Assemble the product according to the instructions.
- Ensure secure installation and support of the intermediate shelf. Ensure that the intermediate shelf is installed correctly to prevent it from tipping over.
- Make sure that shelves are correctly anchored to prevent them from tipping over or falling.
- Avoid overloading the shelving to prevent stability risks, breakages or collapses.
- Observe maximum load to ensure structural integrity.
- Keep the shelves away from water and moisture to prevent deformation and damage.
- Check edges and surfaces for sharp and rough spots to avoid injury.
