Article Numbers: 33080, 33079, 33078

Safety Instructions:

- Ensure that the hanger rail is correctly hooked in to prevent it from falling.
- Use suitable tools and protective gloves during installation to avoid injury.
- Before use, ensure that the shelf is stable and does not exceed the maximum weight. Ensure correct assembly to avoid the risk of falling.
- Carefully check for damage before use to minimise safety risks. Regularly check the stability and safety of the shelving system.
- Provide product information, instructions for safe use and warnings in easily understandable language.
- Use the product out of the reach of children.
- Ensure that the product is used in accordance with the enclosed instructions.
