Safety Instructions:

- Ensure that the shelf is assembled correctly and follow the assembly instructions and weight recommendations to avoid tipping and risks.
- Avoid overloading the shelf to prevent structural damage and stability problems. Observe the load-bearing capacity.
- Only use the product for its intended purpose.
- Make sure that the shelf is properly installed to prevent it from falling over.
- Before use, check that all parts are present and undamaged.
- The product is not suitable for use by children without supervision.
- Keep the shelf protected from moisture to avoid deformation.
