Safety Instructions:

- Ensure that the shelving is stable, secure and correctly positioned and assembled to prevent it from tipping over.
- Avoid overloading the shelves and do not load the shelving beyond its maximum load capacity to minimise the risk of it toppling over.
- Distribute heavy objects evenly to ensure stability.
- Keep the installation instructions to hand and follow the additional safety instructions for installation and use.
- Keep the shelf away from moisture and extreme temperatures to prevent damage.
- Set up out of the reach of children to prevent accidents.
