Safety Instructions:

- Use the product safely and assemble according to the instructions provided.
- Check that the product is stable and securely positioned to prevent it from tipping over.
- When using on higher shelves, take suitable safety precautions to prevent falls.
- Make sure that the shelf is placed on a level surface to prevent it from tipping over.
- Regularly check the stability of the shelf and the fastening of the individual parts.
- The load-bearing capacity of the shelving should not be exceeded to ensure safety.
- The shelf is not intended for use by children; keep it away from children.
