Article Numbers: 30352, 30351

Safety Instructions:

- Ensure stability by correct assembly and positioning on a level, stable surface to prevent tipping over.
- Provide clear instructions for safe installation and use.
- When using with other shelving units, observe the safety regulations for load distribution.
- Provide information on the safe disposal of the plastic feet.
- Wear safety goggles if the shelf is mounted overhead.
- Observe and do not exceed the maximum load capacity.
- Do not cover the air holes in the shelf to ensure proper ventilation.
- Keep children away from assembly and use.
