Safety Instructions:

- Install the product in accordance with the manufacturer's instructions and ensure that it is securely anchored to the floor to prevent it from falling over.
- Exercise caution when working with heavy equipment.
- Use only for its intended purpose. Do not climb or lean on the product.
- Regular maintenance and inspection of the product to detect damage or wear and tear.
- Contact the manufacturer in the event of improper use or damage.
- Ensure sufficient safety when installing the pipe post and make sure that the condition remains stable.
- The use of protective clothing is recommended in order to avoid injuries during concreting.
- Ensure that the product is safe, especially during normal use.
- Observe the specific design of the installation and concreting of the pipe post.
- Use only with suitable mirrors of the specified sizes.
- Remove sharp edges or edges with a potential risk of injury.
