Safety Instructions:

- Pay attention to safety during installation to avoid injury. Installation requires compliance with the safety instructions.
- Observe the maximum load capacity limits of the product.
- Keep the product away from children to avoid possible injury due to improper handling.
- Caution: Only use the front door for its intended purpose. Ensure that the front door is installed correctly to avoid damage or injury. Ensure that the door is working properly before using it.
- Observe protection against crushing hazard due to hinges. Avoid contact with sharp edges and doors when opening and closing to prevent injuries.
- The product must be stable and securely mounted to prevent it from tipping over.
- Do not place heavy objects on the door to avoid damage and injury.
- Keep the installation instructions in a safe place so that you can refer to them if necessary.
- If the product does not function properly or is damaged, contact the manufacturer immediately.
