### Safety Instructions:

- Caution: Sharp edges. Take care when assembling.
- Check the stability of the product regularly.
- Suitable for indoor use only.
- Do not open or close the door with excessive force.
- If you have any questions about installation or safety, please contact the manufacturer.
- Ensure that the front door is correctly installed to minimise the risk of injury from unsafe structures.
- Keep small parts out of the reach of children during assembly to prevent the risk of choking.
- Ensure that the door is fully closed to prevent internal injuries caused by crushing.
- Regularly check the functionality of the lock and hinges to ensure that the door closes securely.
