Please note the technical data of the products!

Article Numbers: 31766, 31765, 31764, 31763

Safety Instructions:

- Regularly check the stability and safety of the shelving.
- Do not load beyond the maximum load capacity to avoid structural damage.
- Pay attention to sharp edges and possible sources of danger and remove them to avoid injury.
- Do not allow children to improperly use or climb on the shelf.
- Ensure that the side rail is correctly fitted to avoid the risk of falling and tipping over.
- Use only for the intended purpose to ensure the stability of the shelf.
- Use appropriate protective measures (e.g. gloves, safety shoes) during assembly and disassembly.
- Keep small parts away from children to avoid the risk of choking.
- Keep the entire work area free of obstacles and ensure safe access to the shelving.
- Only set up the shelf on a level and solid surface.
