Safety Instructions:

- Ensure that the side panel is properly installed to ensure stability.
- Avoid possible injuries from sharp edges or corners during assembly.
- The side panel is not suitable as a toy and should be kept away from children to avoid possible injury or danger.
- Products should not be stored near heat sources or open flames.
- Only use side panels for their intended purpose and follow the assembly instructions to ensure stability.
- Avoid interaction with products that may impair stability.
- Take appropriate safety precautions during installation to avoid injury and wear personal protective equipment such as gloves and safety goggles.
- Secure the side panel to the steel shelf to prevent it from tipping over or falling down.
- Side panel is not suitable for children under 3 years of age due to choking hazard from small parts.
- Avoid overloading the shelving to prevent it from tipping over or collapsing.
- Use without an appropriate back panel could impair stability.
