Safety Instructions:

- Ensure that the side panels are securely and stably mounted to prevent them from tipping or falling over.
- Avoid sharp edges and toxic substances by ensuring that the powder coating is non-toxic and edges are deburred to prevent injury.
- Follow the assembly instructions carefully to avoid injury and ensure that all parts are correctly attached.
- Ensure that the product is placed on a stable and level surface and avoid direct sunlight and extreme temperatures.
- The product is not suitable for use by children without supervision and should not be used as a toy.
- Avoid overloading the cabinet and observe the maximum loads for safe use.
- Keep the area around the product clear of obstacles to minimise the risk of falling.
- The side panel should only be used for the intended furniture types and purpose in order to avoid complications.
