Safety Instructions:

- Product may have sharp edges or corners. Take care when handling! Take protective measures, e.g. wear gloves.
- Heavy loads can lead to injuries. Ensure that the shelf is correctly assembled and secured.
- Keep the product away from children. Not suitable for use by children. Not suitable for children under 3 years of age to avoid risk of injury. The product must not be used as play equipment for children.
- Use suitable protective equipment during installation, such as gloves and safety goggles.
- Ensure that the product is properly installed before use. Follow the installation instructions carefully to minimise safety risks.
- The product must be securely anchored to the floor to prevent it from tipping over. Ensure that the end wall is securely mounted to prevent tipping.
- The materials used are not suitable for contact with food.
- Check regularly for damage or wear.
