Safety Instructions:

- Take care with sharp edges and pointed parts during assembly.
- Not suitable for children under 3 years of age due to choking hazard from small parts.
- Ensure the stability of the shelving system and secure it correctly to the wall to prevent it from toppling over.
- Follow the installation instructions exactly and read them carefully before use to ensure safe use.
- Avoid overloading and adhere to the maximum load capacity of the shelving system to prevent hazards due to overloading.
- Secure the PROGRESS 500 T shelving system correctly to the wall to avoid the risk of it falling over.
- Avoid sharp objects near the side bar to prevent injuries.
- Keep small children away from the customer area to avoid the risk of suffocation from loose parts.
