Safety Instructions:

- The product is designed for up to 24 A4 folders. Maintain a safe weight distribution on all shelves and avoid overloading over 24 folders per shelf.
- Follow the instructions carefully during assembly to ensure stability and achieve a sufficiently safe construction. Ensure that all parts are assembled correctly and completely.
- The product is not suitable for children under 3 years of age due to the risk of choking on small parts. Keep out of the reach of children.
- The product may contain small parts that pose a choking hazard if used incorrectly. Keep the area around the product free of obstacles to avoid tripping hazards.
- There is a risk of tipping over due to improper use or overloading. Ensure that the product is placed on a stable, level surface and avoid an unbalanced layout.
- Risk of collision if the rotating system is handled carelessly. Take care to avoid injuries caused by sharp edges or points.
- The product is not intended for children under the age of 12. Check the stable construction regularly and avoid damage caused by carelessness.
