Safety Instructions:

- Ensure that a maximum load capacity of 100 kg is not exceeded when loading and unloading the trolleys.
- Use the push handle for safe handling of the office trolley.
- Ensure that the trolley is always parked on a stable and level surface to prevent it from tipping over.
- When using the trolley, make sure that the castors are correctly locked when the trolley is not being moved.
- Avoid pushing the trolley over high steps or uneven floors to prevent falls and injuries.
- Keep the workplace tidy while using the trolley to minimise tripping hazards.
