Safety Instructions:

- Take care not to load the table trolley with excessive weight (max. load capacity 100 kg).
- Avoid sudden movements when pushing to prevent the wheelchair from tipping over.
- Ensure that the table trolley is used on level ground to minimise the risk of falling.
- Tighten the swivel castors before parking the trolley to prevent it from rolling away.
- When using with food, ensure that hygiene standards are observed.
- Take the height of the table trolley into account to avoid back injuries when loading and unloading.
