Article Number: 308672

Safety Instructions:

- Ensure that the serving trolley stands on a level surface and is securely braked to prevent it from tipping over.
- Avoid overloading the trolley beyond the maximum load capacity of 120 kg.
- Do not use the trolley to transport hazardous substances or chemicals.
- Make sure that sharp or heavy objects are loaded in such a way that they cannot slip or fall off.
- Keep the trolley away from damp or wet surfaces to avoid the risk of slipping.
- Carry out annual inspections of the castors and frame for wear and damage.
- The product should not be stored near direct heat sources or in extreme temperatures.
