Article Number: 308557

Safety Instructions:

- When using the drum tipper, make sure that the lever bar is securely locked to prevent it from slipping out.
- Avoid overloading - the maximum load capacity is 150 kg.
- Regularly check the condition of the metal tubes and castors for wear.
- Ensure that no persons are in the danger zone while the drum is being lifted onto the tipper.
- Follow the instructions for safe use and handling of the product.
