### Safety Instructions:

- Before use, ensure that the feet are correctly positioned to prevent the appliance from tipping over.
- Take care not to load the drum above the maximum load capacity of 250 kg.
- Suitable protective gloves should always be worn when using the drum tipper to avoid injury.
- The product must not be used by children as it may present a choking hazard due to moving parts.
- The lever bar must be locked with a spring latch; make sure that it works properly before using the product.
- Check the wheels and castors regularly for wear to ensure that the drum tipper can be moved safely.
