Safety Instructions:

- Caution: Small parts may pose a choking hazard for small children. Not suitable for children under 3 years of age as small parts may be present.
- Avoid contact with water, as the metal stapling tongue can corrode due to moisture. Do not use near water.
- For safe use, ensure that the stapling strips are not used in the mouth or near children. The product must be kept out of the reach of children.
- The stapling strips should not be stored in the immediate vicinity of heat sources. Keep the product away from heat.
- Cutting edges may be sharp; use with caution to avoid risk of injury.
- When filing, make sure that the stapler is stable.
- Observe the instructions for use before use.
- Protect from strong pressure or forceful bending to avoid damage.
- If used incorrectly, the stapling tongue or edges may break.
