Article Number: 308566

Safety Instructions:

- Caution: The steel bottle truck can be heavy and unwieldy. Make sure that the weight of 100 kg can be handled safely.
- Ensure that the bottles are correctly secured in the holder to prevent them from falling out during transport.
- Make sure that no passive objects (e.g. passers-by) are in the way while you are moving the trolley.
- Use in confined spaces or over uneven surfaces could increase the risk of tipping over. Be careful when manoeuvring.
- Avoid overloading the trolley beyond the maximum load capacity of 100 kg.
- The use of gloves is recommended to prevent injuries caused by slipping or crushing.
