Article Number: 308567

Safety Instructions:

- Ensure that the steel bottle truck is safe to use and does not cause any injuries.
- Take care when transporting heavy bottles; observe the maximum load capacity of 100 kg.
- Wear gloves to avoid injury from sharp edges or rough surfaces.
- Secure the bottles correctly in the holder to prevent them from tipping over.
- Pay attention to the correct carrying technique and posture when lifting and moving the trolley.
- Check the chain lock regularly for wear and replace if necessary.
- Do not use the trolley on steep hills or uneven surfaces.
- Users should inform themselves about the handling of gas cylinders (e.g. fuel gas).
