**Article Number:** 154441

### Safety Instructions:

- Ensure that the parcel scale is placed on a stable, level surface when in use.
- Do not exceed the maximum load of 50 kg.
- Do not use if the cable is damaged or if there are visible defects.
- For battery operation, ensure that the battery is inserted correctly to avoid short circuits.
- Do not use in humid environments.
- Keep the weighing plate clean and free from contamination.
