### Safety Instructions:

- Risk of suffocation due to improper use of the towel rail, especially for small children.
- Risk of injury from sharp edges or pointed parts of the clothes spindles.
- Ensure that the wardrobe and clothes locker are on a stable surface to prevent them from tipping over.
- The instructions and safety information must be followed during installation in order to avoid operating errors.
- Attach the twist lock securely to prevent unauthorised access and ensure correct use.
- Users should be advised to close the doors of the locker completely to avoid injury.
- Users should be advised not to place excessive weights on the hat shelves and clothes rails to prevent overloading.
- Provide safety information in easy-to-understand language, especially for vulnerable consumers such as children and people with disabilities.
