Safety Instructions:

- Using sharp objects to clean the drip tray can damage it.
- Ensure that the product is stable to prevent it from tipping over. Ensure that the coat rack is placed on a stable and level surface to prevent it from wobbling or tipping over. Check the stability of the coat rack regularly and tighten the screws if necessary.
- The hooks are not suitable for heavy items in order to avoid breakage. Do not use the coat rack to hang excessively heavy or dangerous items.
- Keep the wardrobe away from direct heat or moisture to prevent material damage.
- Keep small parts and packaging materials out of the reach of children to avoid the risk of suffocation.
