Safety Instructions:

- Risk of suffocation due to improper use of small parts such as hooks.
- Risk of impact due to possible instability of the coat rack if loaded incorrectly.
- Ensure that the coat rack is stable and that the weight of the hanging garments is evenly distributed.
- Protect the glass plate from heavy pressure or impact to prevent breakage.
- Children should be supervised by an adult to prevent injuries from tipping over or being knocked over.
- Read the installation instructions carefully before use and follow the safety instructions.
