Article Numbers: 193461, 193460

Safety Instructions:

- The coat rack must be mounted stably to prevent it from tipping over and to minimise the risk of tipping due to improper loading.
- Sharp edges should be checked before use and deburred if necessary.
- The product is not suitable for use by children without supervision.
- Avoid overloading the hooks to prevent them from breaking or falling apart.
- Choking hazard due to detachable small parts that can be accidentally swallowed.
- Risk of snapping on moving parts, especially when adjusting the height.
