Safety Instructions:

- Avoid direct sunlight on the dispenser to prevent discolouration of the plastic.
- Keep the dispenser out of the reach of small children to prevent accidental opening or damage. Not suitable for children; there is a choking hazard due to small parts.
- Do not use aggressive chemical cleaning agents when cleaning the dispenser to avoid damaging the surface. The smooth surface of the housing should be cleaned regularly to prevent the accumulation of dirt.
- Regularly check the fill level of the dispenser via the LED display to ensure continuous use.
- Ensure that you only use the recommended Interfold towels; the use of non-designated paper may impair the functionality of the dispenser.
- Ensure that the dispenser is securely fastened to prevent it from tipping over.
- Use secure and suitable holes during installation and maintenance to ensure safety.
