Safety Instructions:

- Not suitable for children under 3 years due to small parts.
- Do not adjust the chair above the recommended maximum height (600 mm).
- Avoid use by persons weighing more than 120 kg.
- Only use castors on hard, level floors to avoid wobbling or tipping over.
- Regular checking of the strength of the adjustment mechanisms is recommended.
- Observe the maximum height of the user to avoid back and neck pain.
- Regularly adjust the seat height and backrest tilt to avoid poor posture.
- Ensure that the castors are suitable for the surface to prevent falls or tipping over.
- Ensure that the product is placed on a stable, flat surface.
- Before use, check all parts for safety and proper function.
