

Product Safety Information

Swivel chair All-in-One 9643, fabric upholstery

Please note the technical data of the products!

Article Numbers: 141826, 141825

Safety Instructions:

- Ensure that the chair is stable and cannot tip over.
- Regularly check the seat mechanism for safety-relevant functionality.
- Provide instructions on how to correctly adjust the seat height according to the user's needs.
- Use armrests as an option, taking individual ergonomics into account.
- Do not exceed the load capacity of the chair.
- Seat height adjustment by safety gas spring: The gas spring may fail if not adjusted or used correctly.
- Observe ergonomic properties: Improper use can cause health problems.
- Double castors for hard floors: risk of slipping if used incorrectly.
- GS-tested: Use the product in accordance with the information provided.
- Only suitable for clean working environments: Use in harsher environments may damage materials.
