Safety Instructions:

- Not suitable for children under 36 months, small parts may pose a choking hazard.
- Ensure that the shelf is correctly and stably mounted to prevent it from tipping over.
- Do not exceed the appropriate weight to ensure the stability of the shelf.
- Keep the shelf away from moisture to prevent damage to the hardboard.
- The product should not be installed near heat sources or in direct sunlight.
- Only use the shelf for the intended purpose of storing small parts and in the manner described in the operating instructions.
- Do not overload, observe the maximum permitted weight limit for each shelf.
- Keep small parts and the packaging away from small children to avoid the risk of suffocation.
