Please note the technical data of the products!

Article Numbers: 30133, 30129, 30125, 30121

Safety Instructions:

- Shelving with a height/depth ratio $\geq 5:1$ must be secured against tipping (wall or floor anchoring).
- Ensure that the shelf is not overloaded. Observe the maximum shelf load (160 kg).
- Please use hard fibre or Isoflex boards for the safe storage of small parts on the grid shelves.
