Safety Instructions:

- Not suitable for children under 3 years of age due to small parts, as there is a choking hazard. Store small parts safely or keep out of the reach of children.
- The shelf should be placed on a firm, stable surface and properly assembled to prevent it from tipping over.
- Use only in accordance with the manufacturer's instructions for installation and use. Users should read the instructions carefully.
- Make sure that the shelving is stable and properly secured to minimise the risk of it toppling over.
- Ensure that heavy items are stored on lower shelves to minimise the risk of falls.
- Avoid overloading the shelf or using it for heavier items than specified by the manufacturer to prevent it from collapsing.
- Not suitable for children due to possible risk of injury from sharp edges or sharp objects.
